I am a videographer with a background in broadcast and lighting seeking opportunities to utilize and expand my skillsets while working creatively. I am skilled in working with highly specialized equipment and software, and have extensive experience in customer service and team management. I look forward to serving as part of a team to create the best possible product.

## EXPERIENCE

### Broadcast Operator

Edgio | April 2022 - Present

Worked on ESPN Broadcasts monitoring quality and sending them on air across different platforms. Coordinated with Assistant Directors on-site to assure seamless transitions and accurate cues for commercial breaks.

### Camera Operator

Game On Sports | October 2021 - Present

Filmed High School Sports as part of a professional level broadcast team, and assisted in set-up and teardown of equipment. Also solo-filmed smaller games for use as coaching film.

### Lighting Technician

MP&E Cameras and Lighting | September 2021 - August 2022

Tested and maintained film lighting equipment for use as rentals. Interacted with clientele to ensure the quality of orders and kept track of inventory. Maintained the cleanliness of general warehouse work area, trucks, and equipment.

### Media Equipment Manager

Abilene Christian University | August 2020 - May 2021

Ran the equipment closet used to check out media equipment including cameras, microphones, tripods, recorders, lenses, lighting, boom poles, and cinema rigs to students. Took inventory, repaired equipment, and taught students how to properly use the equipment.

### Producer

99 West Media | March 2019 - December 2020

Planned, organized, and participated in video shoots within various roles including audio recording, lighting, assistant camera, and directing.

### Production Team Member

ACUTV | August 2019 - August 2020

Worked in a broadcasting studio that produced work of a professional quality for university related media, and ESPN sports games. I worked as an Audio Engineer, Director, Technical Director, Camera Operator and Floor Manager.

## EDUCATION

Abilene Christian University | 2021

### Bachelor of Science in Multimedia
